

NEVADA

ELITE FC

Girls' Soccer Club

U10/11 Club Fees 2010-11

Player Fees (per season):

- **Club fees** (includes club fees, tournaments fees, etc.): **\$360**
- **GBYSL fees** (league fees): **\$90**

TOTAL Season Club fees + GBYSL fees: \$450

2010-2011 Uniform Fees:

- **New Players Kit** (have not played for Nevada Elite previously): **\$275** (includes new player uniform kit, warm-up and backpack, 2 training shirts and training ball).
- **Returning Players/Uniform Only:** \$105 (includes two jerseys, short, two pair of game socks). Generally, this occurs once per year (Fall for players going to U11-14, Spring for players going to U15+). This provides each player with new socks, new training shirts, and a new training ball for the year. We try to use uniforms for as long as we are able (until we can't get the current style anymore for new players) or until uniforms wear out.

NOTE: ALL ITEMS LISTED ABOVE ARE REQUIRED. If you need to replace an item, see below.

- **Returning Players/Warm-Up:** \$95 (includes warm-up top and bottom)
- **Returning Players/Backpack:** \$48
- **Returning Players Kit** (once per year if you have all other items): \$50
- **Extra Training Shirts:** \$10 each
- **Training Ball** (replacement): \$15

Tournament Fees: Nevada Elite's teams all are at different stages of development. One or more teams may attend more out-of-town tournaments than other teams. For the 2010-11 season the Club has included tournament fees in the Club fees. For some teams, the cost is more because the team will play in additional travel tournaments and/or State Cup. The Fall 2010 tournament schedule for each team will be available at tryouts. All players are expected to attend all tournaments; all players pay tournament fees regardless of whether they play in the tournament.

Family Discounts: Nevada Elite offers family discounts for multiple players playing for the Club from the same family. On a per-season basis, the discount structure is as follows: 2 players, \$25 off of the second registration; 3+ players, \$12.50 off of each subsequent registration.

Financial Assistance: Nevada Elite strives to make playing for the Club affordable for families, and has a scholarship program that enables more players to join the Club and play soccer. If a family has a legitimate financial need, the Club will work with that family to ensure that the player can play soccer. To qualify for a scholarship, a scholarship application must be completed by the player and her family on or before July 31, 2010 (for the Fall season). The Club may award partial or full scholarships. All recipients are expected to volunteer their time to the Club during fundraisers and other events. **About Nevada Elite Football Club**

Nevada Elite Football Club is the only soccer club in Northern Nevada dedicated solely to the development of girls' soccer. **Nevada Elite FC** gives each player the tools she needs to develop as a player and a person in a challenging and positive environment that facilitates individual and team success. The Club provides each individual with the opportunity to excel and grow as both a player and a person in an age- and ability-appropriate environment that, combined with our devotion to excellence in coaching and player development, promotes each player's love of the game and desire to take her game to the limits of abilities while learning important life lessons.

For answers to your questions about competitive soccer and about the Club, please contact Tom Vallas, Nevada Elite FC President, at (775) 544-7163 or nevadaelitefc@yahoo.com.
